

# The Revolutions International Theatre Festival

Nemcatocoa Teatro from Colombia

# A platform for all voices

► Revolutions brings theatre from around the world for three weeks of performances, workshops, gatherings, and outreach in New Mexico.

► Pussy Riot Theatre from Russia

# Diplomacy through the arts

► International, collaborative theatre connects people and humanizes world affairs. Revolutions believes that exposure to world cultures through the medium of theater increases mutual understanding, inspires change, and empowers individuals to improve the overall quality of life for all people.

► Lucho Guzman from Colombia

# Imagine the possibilities

► Artists tell our stories. Artists capture our history. Artists show us what is possible for our lives.

► Teatr Figur Krakow, Poland

# Theatre is education

- ▶ We are more than artists.
- ▶ We are teachers.
- ▶ We are diplomats.
- ▶ We are community.

▶ Ndere Troupe, Uganda

# We connect communities

- ▶ International collaborations allow for all voices to be present at the table. Each artist brings their own ideas and creative work into the room.
- ▶ The art brings us together.

▶ Tricklock with Tercer Acto in La Candelaria, Bogota Colombia

Theatre is more  
than a  
performance on  
stage.
