Washington, D.C. 20150

The Honorable John Boozman
Ranking Member
Subcommittee on Military Construction,
Veteran Affairs, and Related Agencies
SD-125
Washington, D.C. 20150

Dear Chair Sinema and Ranking Member Boozman:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Military Construction, Veterans Affairs, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

MARTIN HEINRICH
United States Senator

**Heinrich, Martin(D-NM) Military Construction and VA
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Holloman Air Force Base	The project will replace the current Holloman High Speed Test Track.	Alamogordo NM	\$257,000
White Sands Missile Range	The project will construct a new, consolidated North Range Mission Control Center at the White Sands Test Center.	Alamogordo NM	\$4,000
White Sands Missile Range	The project will upgrade the existing Las Cruces Electrical Substation to increase reliability and maintainability at White Sands Missile Range.	Alamogordo NM	\$6,750
White Sands Missile Range	The project will replace the existing Las Cruces Gate Access Control Point.	Alamogordo NM	\$2,700
Holloman Air Force Base	The project will replace the existing Main Entry Control Point guard facility, visitors center, roads, overwatch pad, active and passive vehicle barriers, and area and road lighting.	Alamogordo NM	\$19,000
White Sands Missile Range	The project will provide a full-service laboratory enclosure and an operations and administration facility on the campus of the High Energy Laser Systems Test Facility (HELSTF) at White Sands Missile Range.	Alamogordo NM	\$9,300
White Sands Missile Range	The project will design and construct a Satellite Fire Station on the High Energy Laser Systems Test Facility portion of White Sands Missile Range.	Alamogordo NM	\$2,520
Holloman Air Force Base	The project will replace the existing West Entry Control Point guard facility, Large Vehicle Inspection Shelter, roads, active and passive vehicle barriers, and area and road lighting at Holloman Air Force Base.	Alamogordo NM	\$18,000
White Sands Missile Range	This new facility will replace a 50+ year old Missile Assembly Building that is no longer in compliance with current explosive distance and safety requirements. The new MAB would allow for simultaneous operations, meet current codes and standards allowing the support of current and future programs.	Alamogordo NM	\$25,000
White Sands Missile Range	The project will design and construct a headquarters fire station.	Alamogordo NM	\$3,300
White Sands Missile Range	The project will design an updated Access Control Point for the El Paso entrance located in southern White Sands Missile Range.	Alamogordo NM	\$2,160
White Sands Missile Range	The project will plan and design a Net-Zero Energy Net-Zero Emission Wastewater Treatment Plant at the current location of the existing plant.	Alamogordo NM	\$5,000
White Sands Missile Range	The project will plan and design a long duration energy storage system at White Sands Missile Range Salinas Peak to support critical missions.	Alamogordo NM	\$2,400
White Sands Missile Range	The project will plan and design a Mid-Range Control Center that will support directed energy range air defenses, multi-domain operations and maneuver-short range air defenses.	Alamogordo NM	\$4,600
Kirtland Air Force Base	The project will expand on or create a new facility to house new Combat Rescue Helicopter simulators.	Albuquerque NM	\$15,500
Kirtland Air Force Base	This project will construct a warehouse and administrative facility to accommodate the base logistics readiness squadron and RED HORSE Squadron.	Albuquerque NM	\$25,000
Kirtland Air Force Base	The project will complete construction of the Wyoming Gate Project on the grounds of Kirtland AFB.	Albuquerque NM	\$12,000
Cannon Air Force Base	The project will construct a facility for deployed aircraft ground response element (DAGRE) operations training, deployment preparation, and mission planning.	Clovis NM	\$7,200
Cannon Air Force Base	The project will add an addition to the security forces squadron operations facilities to accommodate unit growth that has occurred since the original construction of the facility.	Clovis NM	\$4,000

New Mexico National Guard	The project will design and refurbish a health facility in Santa Fe, New Mexico, to support statewide collective training, soldier combat-readiness and combat-fitness test requirements for the New Mexico National Guard.	Santa Fe NM	\$4,250
